Wine is a noble substance. Unlike for other living things, time is its true ally. Enhancing wine, helping wine reach its rich potential, is an art - an art that Avintage has mastered to perfection. Bringing together elegant design and leading-edge technology, the wine cabinets from Avintage promise the ultimate tasting experience.

Avintage is the *premium collection* from Climadiff. The collection has a stylistically clean and strong design, showcasing the very latest in technical innovation in providing a supreme storage solution for your wines. Avintage offers a range of wine coolers and wine cabinets.

84	Château de la Roche	2008	1	tablette
87	Muscoux	9 2013	3	R.D.
85	Château de la Roche	17 2007	2	

 **Climadiff**

It takes true passion for wine to design and manufacture cabinets that let each bottle reach its full potential. Wine should be treated with respect, from the grape to the glass. It must be handled in the best conditions so if you want it to reveal its full intensity and finesse. Motivated day in day out by this passion, Climadiff are now France's leading manufacturer of wine cabinets and the products are now sold in over 30 countries.

AVU 8X
8 bottles
1 Temp. zone
Energy class: A
Noise level: 44 dB
14.5 (W) x 54.7 (D) x 82/88.5 (H) cm
Built-in under kitchen counter

AVU 18CDZ
17 bottles
2 Temp. zones
Energy class: A
Noise level: 42 dB
29.5 (W) x 57 (D) x 82/89 (H) cm
Built-in under kitchen counter

AVU 23SX
21 bottles
1 Temp. zone
Energy class: A
Noise level: 43 dB
29.5 (W) x 57.2 (D) x 82/87 (H) cm
Built-in under kitchen counter

AVU 41SXDPA
42 bottles
2 Temp. zones
Energy class: A
Noise level: 43 dB
59.5 (W) x 57.1 (D) x 82/87 (H) cm
Built-in under kitchen counter
